

A group of people are gathered around a table in a meeting or collaborative workspace. In the foreground, a person's hands are visible, holding a smartphone. Another person's hands are also visible, pointing at the screen. A laptop is open on the table in the background. The scene is dimly lit, with a focus on the interaction with the device. The word "NAKED." is overlaid in the center in a bold, white, sans-serif font, with a small pink dot at the end of the period.

“Great software is made by teams of talented individuals.”

The image shows a close-up of a hand pointing to a specific entry in a yellowed, aged telephone directory. The text is partially obscured by the finger and the page's curvature. Visible text includes names like 'Kunert', 'Müller', 'Słowianka', and 'Czerwionka', along with phone numbers and addresses. The page is titled 'KRAWIECTWO' (Tailors) at the top.

BANK

The image shows a close-up, low-angle view of a modern building's exterior. The building features a curved glass facade that reflects the surrounding environment. A section of the building is clad in light-colored, rectangular stone or concrete panels. Mounted on this stone section is the word "BANK" in large, light blue, three-dimensional, serif capital letters. The letters are slightly recessed into the stone panels. The overall color palette is dominated by the dark blues and greys of the glass and the light greys of the stone.
